

DON'T BELIEVE THE HYPE: Iran is not a threat to world peace, the US and Israel are!

-Israel has 60-80 secret, unaccounted-for nuclear weapons. Iran doesn't even have operating nuclear facilities, let alone nuclear weapons.

-Iran has signed the nuclear non-proliferation treaty. Israel has not. The US has an estimated 480 nuclear weapons deployed in Europe. The US aided apartheid-era South Africa in acquiring nuclear weapons.

-Israel receives 3 billion dollars in military aid from the US. Israel is the #1 recipient of US military aid.

-In 2001 and 2003, the US and NATO launched invasions and occupations of two Muslim countries. Now, the US is killing Pakistani civilians with unmanned drones.

In the winter of 2009, Israel bombed and engaged in a ground offensive in the Gaza Strip, killing 1440 people. Gaza is 139 sq miles. Denver by contrast is 154 sq miles. The offensive caused an estimated 2 billion dollars in property damage in a part of the world where the per-capita income is only \$2,900.

Quotes from Israeli State Officials

There is nobody to return them to."**

-- Golda Meir, Prime Minister of Israel, March 8, 1969.

"Everybody has to move, run and grab as many hilltops as they can to enlarge the settlements because everything we take now will stay ours...Everything we don't grab will go to them."

-- Ariel Sharon, Israeli Foreign Minister, addressing a meeting of the Tsomet Party, Agence France Presse, Nov. 15, 1998.

"This country exists as the fulfillment of a promise made by God Himself. It would be ridiculous to ask it to account for its legitimacy."

"Israel may have the right to put others on trial, but certainly no one has the right to put the Jewish people and the State of Israel on trial."

Stop the ongoing genocide of Palestinians!

-In 1948, Israeli aggression displaced 700,000 Palestinians. Between 1948 and 1953, 370 Jewish-only settlements were built on confiscated land.

-Today, 4.6 million Palestinians live in exile. 4.3 million Palestinians live under occupation.

-Israel has 20 laws which directly discriminate against Palestinians.

-Since 2000, the ongoing Israeli occupation has resulted in the death of 1072 Israelis including 123 children. In the same period, 6,348 Palestinians were killed, including 1435 children.

-Today, the West Bank and Gaza is only 1,000 square miles. Israel is over 8,000 square miles.

-Palestinians are forbidden to use Israel's Jewish-only highway system.

-In 2002, Israel began building a 25 foot tall wall, cutting Palestinian villages off from each other and effectively annexing another 854 sq. miles. Included in this most recent annexation is 512 sq. miles of agricultural lands, 170 wells, and 62 springs.

-An estimated 180,000-200,000 Palestinians in the West Bank alone do not have access to clean, running water. In Gaza, an estimated 90-95% of the water supply is unfit for human consumption. Both result in high levels of child mortality. Meanwhile, Israeli settlers enjoy near-unlimited access to clean, fresh water, including swimming pools.
